

VT Course	VCCS Course	Admission Advising
<b>Music (MUS) - Audition Required</b>		
ENGL 1105	ENG 111	Strongly Recommended
ENGL 1106	ENG 112	Strongly Recommended
Two semesters of a transferable math (non-sequential OK)	Two semesters of a transferable math (non-sequential OK)	Strongly Recommended
Two semesters of a transferable science (non-sequential OK labs not required)	Two semesters of a transferable science (non-sequential OK)	Strongly Recommended
MUS 3314, 3414	Performance-Ensemble, choose from: MUS 135, 143, 144, 146, 147, 166, 266, 238, 239	Strongly Recommended
Choose from: MUS 2514, 2524, 2534, 2544, 2554, 2564, 2644, 2654, 2664, 2674, 2684	Performance-Lower Division, choose from: MUS 236, 245, 265, 275, 285	Strongly Recommended
MUS 2214	MUS 141 and 142	Strongly Recommended
MUS 2025+2045 and 2026+2046	MUS 111 and 112	Strongly Recommended
<i>(Music Major Disclaimer) - Due to the unique nature and small size of this major, a majority of in-major classes are only offered once a year and serve as a foundation for later courses (prerequisites). This results in a very rigid course sequence for students who transfer into the program. Students generally take 6 semesters to complete the required coursework after transferring to VT, regardless of the number of credits completed before entering VT. As such, we recommend that students transfer soon after they have completed some of the recommended courses listed above. An audition is required for admission and should be scheduled with the Music department after applying.</i>		

**Required course** - In order to be competitive for admission, prospective transfer students must complete this course prior to transfer with few to no exceptions. Not every program has courses in this category.

**Strongly Recommended course** - Prospective transfer students are strongly encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Strongly Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but prospective transfer students with otherwise strong applications could be admitted without this course. Not every program has courses in this category.

**Recommended course** - Prospective transfer students are encouraged to complete some or all courses in this category prior to transfer. Successful completion of a Recommended course both fulfills certain degree requirements and can help create a more competitive application for admission, but Recommended coursework should be pursued in addition to coursework listed from the Required and Strongly Recommended categories. Prospective transfer students with otherwise strong applications could be admitted without this course.

**(Disclaimer)** Admissions Transfer Roadmaps are a tool to aid in course selection and prioritization by intended program only. Completion of all equivalent Required courses or all equivalent courses listed from each category does not necessarily guarantee admission into that program. Final admissions decisions are made through a holistic review process and based on numerous additional factors, including but not limited to overall and individual course performance, strength of applicant pool for intended program, and space availability.
